

3.3.5 - Dissemination and embedding of good practice identified through assessment

9893 2024 Semester 1 (S1) - Physical Education, Sport and Society

573056 John gives far more feedback than other convenors.

578452 I enjoyed this unit and greatly appreciated the support and feedback provided by John, especially during assignment.

9893 2023 S1 - Physical Education, Sport and Society

500810 The assessments for this units in particular were intriguing to complete and I feel there was a good amount of guidance from John to complete the assessments to a high standard. In using the guidance notes provided I scored 80% on the sport study and this would be in thanks to the clear and concise notes given to us.

500907 I found the assignment tricky to get started however John provided us with useful assignment writing tools that really helped.

9893 2021 S1 - Physical Education, Sport and Society

348920 I really appreciate John taking time out of his day to make optional workshops for academic writing, it was really helpful. I would appreciate this even further if I attended one of these earlier in my degree.

360146 When he provides feedback, it's detailed and directly outlines your strengths and what you need to work on.

9893 2020 S1 - Physical Education, Sport and Society

279434 Another thing that was extremely useful was the writing workshop that John range to help assist us with our assignments. I feel that this is a workshop that all students at UC should have to opportunity to complete preferably within the first year of uni as we never get taught how to reference or complete essays correctly. As a fourth year student there was still aspects of referencing that I didn't but I gained a better understanding by completing this workshop.

285631 He provided quality feedback which was in-depth and it has helped me in many areas of my writing for assignments for the future.

290027 It was great to see John put in a lot of effort to write feedback for the assessment as it was something that took a lot of work to write.

291114 My achievement in this unit was assisted through assignment scaffolding that allowed my research to be more precise. This was further enhanced through the detailed feedback that demonstrated John's enthusiasm in this unit and provided opportunities that I can extend upon in the future.

292509 John also provided optional writing workshops and as a result of attending I saw great benefit to the development of my writing skills.

292732 A separate workshop that John run in regards to Essay writing and reference was extremely useful and should be available for all students within their first year of university.

9893 2019 S1 - Physical Education, Sport and Society

367024 John provided rich feedback in the assignment which I believe will help me better progress my unit understanding and academic writing abilities.

228298 John has been a fantastic help for all students. I truly believe he has been the one tutor that has improved my level of academic writing and his efforts in preparing his students for what lies ahead is greatly appreciated. Big thumbs up

9916 2023 S1 - Sociocultural Foundations for HPE In Schools

498690 John provided extremely detailed feedback for assignments which is super helpful.

9916 2022 S1 - Sociocultural Foundations for HPE In Schools

432168 John gave very detailed and great feedback on our major assignments. This feedback will help greatly in the remainder of my degree.

433303 Assessments were assessed fairly, with detailed constructive feedback provided which I feel will improve all of my future academic work.

9916 2021 S1 - Sociocultural Foundations for HPE In Schools

359155 Great feedback on the assignment.

353924 He also provided us with an extra workshop to assist with our assignment.

9916 2020 S1 - Sociocultural Foundations for HPE In Schools

290053 I was surprised by the amount of feedback given on my assignment, especially as I received a good mark. It shows that John took the time to really read my work and explain where marks were lost and what could've been improved. Appreciate that.

9916 2018 S1 - Sociocultural Foundations for HPE In Schools

151943 I found the extensive feedback on the essay very useful.

9904 2023 S1 - Secondary Health and Physical Education PCK 1

476224 John provides good feedback on lesson-plans (unit assessment item).

490673 John's feedback has been really good and probably the most useful unit for me trying to create and implement lesson-plans (unit assessment item). Every other teacher doesn't provide as crucial feedback.

499589 The feedback for lessons (episodes of pair teaching delivery is a weekly unit assessment item over seven consecutive weeks) was in-depth, timely and constructive, with an emphasis always on how we can improve our practice. It is largely focused on the preparation of the individual for the workplace and allows us to network.

9905 2021 S2 - Secondary Health and Physical Education PCK 2

394356 The feedback on assignments were detailed and provided good areas of improvement.

395811 John has been really helpful with his feedback in assignments, and supportive with assessments in ensuring we succeed as future HPE teachers. His efforts are much appreciated.

9905 2020 S2 - Secondary Health and Physical Education PCK 2

313041 The workshop format has been great and his assistance in lesson planning (unit assessment item) has been very thorough. His feedback to both lesson-plans and physical teaching is very in-depth and his care really is shown in this area. It definitely has helped our group improve our teaching skills.

314703 John's feedback on lesson-plans (unit assessment item) and lessons was extremely constructive and my partner and I saw gradual improvement in our pedagogy throughout the school-based-clinic.

324450 Constructive feedback was further provided for the assessment items and again the feedback was very in-depth.

315603 I really appreciate the work John puts into this unit and how devoted he is to providing on-time feedback to every lesson.

9887 2018 S2 - The Practice (PCK) of Teaching HPE

178724 I really appreciate the teaching tips that John provides during the lessons, it is important, valuable feedback as we are teaching and it enables us to change our practice as we go. I unfortunately don't see this in a lot of other PCK units, but greatly appreciate this feedback/feed forward as it helps us modify our lesson immediately (pair teaching episodes is a weekly unit assessment item over seven consecutive weeks of the unit where lessons are observed by the tutor and feedback given).

9887 2017 S2 - The Practice (PCK) of Teaching HPE

100349 Above and beyond feedback.
