# The Practice (PCK) of Teaching HPE (9887) Sem 2 2024

Name Robert Davies

Preferred First Name Robbie (what you want me to call you!)

How do you learn best? In other words, how would you like me to teach the unit to meet your needs? Do you prefer to learn by doing/experimenting/reading/discussing/being self-directed (or what combination of these)?

I learn best through either visual or hands on means, particularly through games and activities etc.

Hand-drawn sketches in blue ink: a mouth with sharp teeth, a detailed eye, and a hand holding a pencil.

Have you any other needs relating to your learning I can help you with?

Nothing particular

Hand-drawn sketches in blue ink: a face with large, dark eyes and a mouth.

Sketching helps me maintain focus whilst listening, it's in no way me trying to ignore you or avoid content

Anything else I can do to help you have the best learning experience in this unit?

Nothing particular

Thank you!!
